

GTC RALLY

Zundert, May 2026

Dear Sir/Madam,

On **Friday, July 10, and Saturday, July 11, 2026**, the annual international motorsports event **GTC Rally & NED Historic Rally** will take place. Part of the route runs along roads you use to reach your home and/or business. Therefore, we would like to inform you of a few important matters.

Safety

For the safety of visitors, participants, and local residents, various safety barriers will be placed along the route during the week leading up to the rally, such as barrels, tires, crowd barriers, and construction fences.

Reconnaissance of the Course

Participants may scout the course in advance on: Thursday, July 9, 2026, from 18:30 hrs to 23:00 hrs. Normal traffic rules apply during this reconnaissance. The organization will strictly enforce these rules. Participants are not permitted to be present on the course prior to this official reconnaissance. During the reconnaissance, the roads will remain open to regular traffic.

Road Closure

The road on which your home and/or business is located will be closed on: **Friday, July 10, 2026, from 18:00 hrs to approximately 00:45 hrs**. We kindly ask that you do not place any vehicles, trailers, scaffolding, and/or tents within 10 meters of the public road on July 10.

Due to unforeseen circumstances, some delays may occur, which could cause the times mentioned to vary slightly. We appreciate your understanding.

Access during the closure

Do you need to travel to or from your home or business during the closure period? If so, we recommend parking your car—if possible—outside the closed road safety zone. If you wish to access your home or business on foot or by bicycle, you can request a pass from the coordinator. Please include the following: Name, phone number, email address, street name/house number, and, if applicable, the desired time of passage. You will then receive a pass from the organization. Please note: you may be asked to show identification at the access checkpoint.

A separate access pass must be requested for vehicle access.

Admission

During the event, an entrance fee will be charged on the access roads to the closed course. More information can be found at: www.gtcrally.eu
